

Devolutions Central Online Event Recap

Devolutions

.....
WAS OUR VERY FIRST VIRTUAL EVENT!
.....

We would like to start by saying a **BIG THANK YOU** to everyone who attended Devolutions Central Online, which was our very first virtual event! Not only was it so much fun to organize but to then see everyone else enjoying themselves and having a great time, it just warmed my heart!

We welcomed **278 attendees** from around the world, which was awesome. We greatly appreciate everyone who took time from their busy schedules to spend the day with us.

Attendees also sent **123 messages** interacting with each other and our team. We hope that everyone found the experience informative and fun.

Plus, when attendees were asked to rate on a scale of 1 to 10 whether they thought the event was a success, the **overall rating was 9.29!** This means so much to us, because we really, really — I mean REALLY — wanted to produce something that was worthy of our amazing community.
